

The Public Administration and Policy – An Asia-Pacific Journal (*PAP*) is a semi-annual refereed journal jointly sponsored by the Hong Kong Public Administration Association and SPEED, The Hong Kong Polytechnic University. The Journal is devoted to the integration of theories and practice of public administration and management, with special emphasis on the Asia-Pacific region. *PAP* seeks to play a useful role in contributing to the improvement of public sector management by highlighting issues, problems and solutions through efficient and innovative management of public services. Academics, government officials, and executives in non-profit and business organizations are welcomed to contribute articles to the Journal. Through the new Emerald platform, we look for articles related to the latest regional development such as the One Belt One Road initiatives and impacts of digital and artificial intelligence on public governance.
