### Introduction

Since first established in 1990, Hong Kong Public Administration Association is committed to the promotion of excellence in the study and practice of public administration. We have, in close collaboration with local universities as well as counterparts overseas, aroused keen interest in the pursuit of best practices in public services and administration. These shall remain our goals in future.

### Objectives

1. To enhance the quality of policies and practices of public administration in Hong Kong and the region;
2. To provide a forum for the identification and debates of public administration issues; and
3. To stimulate discussion and to increase public understanding on issues of importance and relevance to public administration.

### Membership

The Association is a non-partisan organization which welcomes those interested in public administration to join.
